

WELCOME to VIA UNIVERSITY COLLEGE DENMARK

Denmark

VIA UNIVERSITY COLLEGE

Facts:

- 42 bachelor degree programmes
 - 18,500 students
- 
- A photograph showing four students in a modern, brightly lit hallway. In the foreground, a young woman with blonde hair tied back is seen from the back, wearing a white shirt and a dark backpack. Behind her, three other students are looking towards the camera: a young man with short brown hair, a young woman with blonde hair, and a young woman with short dark hair wearing a blue sweater. They are all smiling and appear to be in a casual conversation.
- Approx. 2,500 international students from all over the world
 - 2100 faculty and staff members
 - 18 research and development centre and programmes
