## 13 research groups – materials and technologies for sustainable future:

- Chemical and environmental technologies
- Functional materials and technologies
- Food systems and biotechnology
- Applied and medicinal chemistry

# Faculty of Chemical Technology

## Bachelor's and Integrated Programmes

Applied Chemistry <sup>EN</sup>

Biomedical Materials Industries <sup>EN</sup>

Chemical Technology and Engineering <sup>EN</sup>

Food Science and Technology <sup>EN</sup>

Industrial Biotechnology <sup>EN</sup>

## Master's Programmes

Applied Chemistry <sup>EN</sup> **MA+**

Chemical Engineering <sup>EN</sup> **MA+**

Environmental Engineering <sup>EN</sup> **MA+**

Food Science and Nutrition <sup>EN</sup> **MA+**

Food Technology and Innovation

Industrial Biotechnology <sup>EN</sup> **MA+**

Medicinal Chemistry <sup>EN</sup>

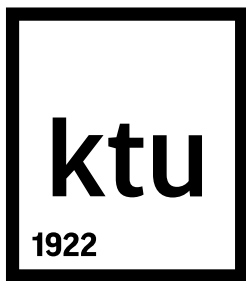

## PhD Programmes

Chemical Engineering <sup>EN</sup>

Chemistry <sup>EN</sup>

Environmental Engineering <sup>EN</sup>

Materials Engineering <sup>EN</sup>

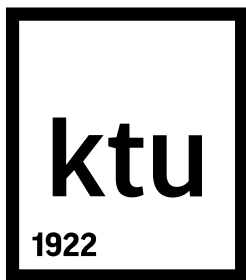

# Faculty of Chemical Technology

Our bachelor level **Food Science and Technology** is one of the few bachelor level programs in the field of food technology in Lithuania, and the **only one** which has been awarded the international **EQAS-Food Label** quality mark.

KTU is **the only university in the Baltic States** offering studies accredited with this quality mark on an international level.

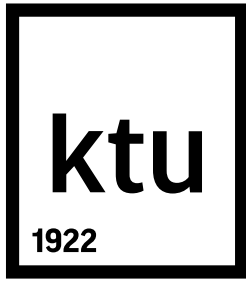

# Faculty of Chemical Technology

## Industry partners

Junction between science and industry to solve real-life problems (product development projects)

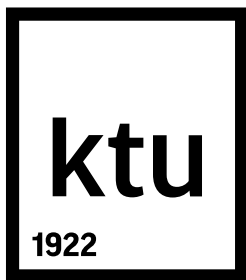

# Student life

## Green – Safe - Central

- KTU dormitories in the campus (from €79,20 to €248,83)\*
- Free and fast Wi-Fi
- Shopping centres within 10 min walk
- Average cost of living is ~€ 400-450

\* 2024-10-17

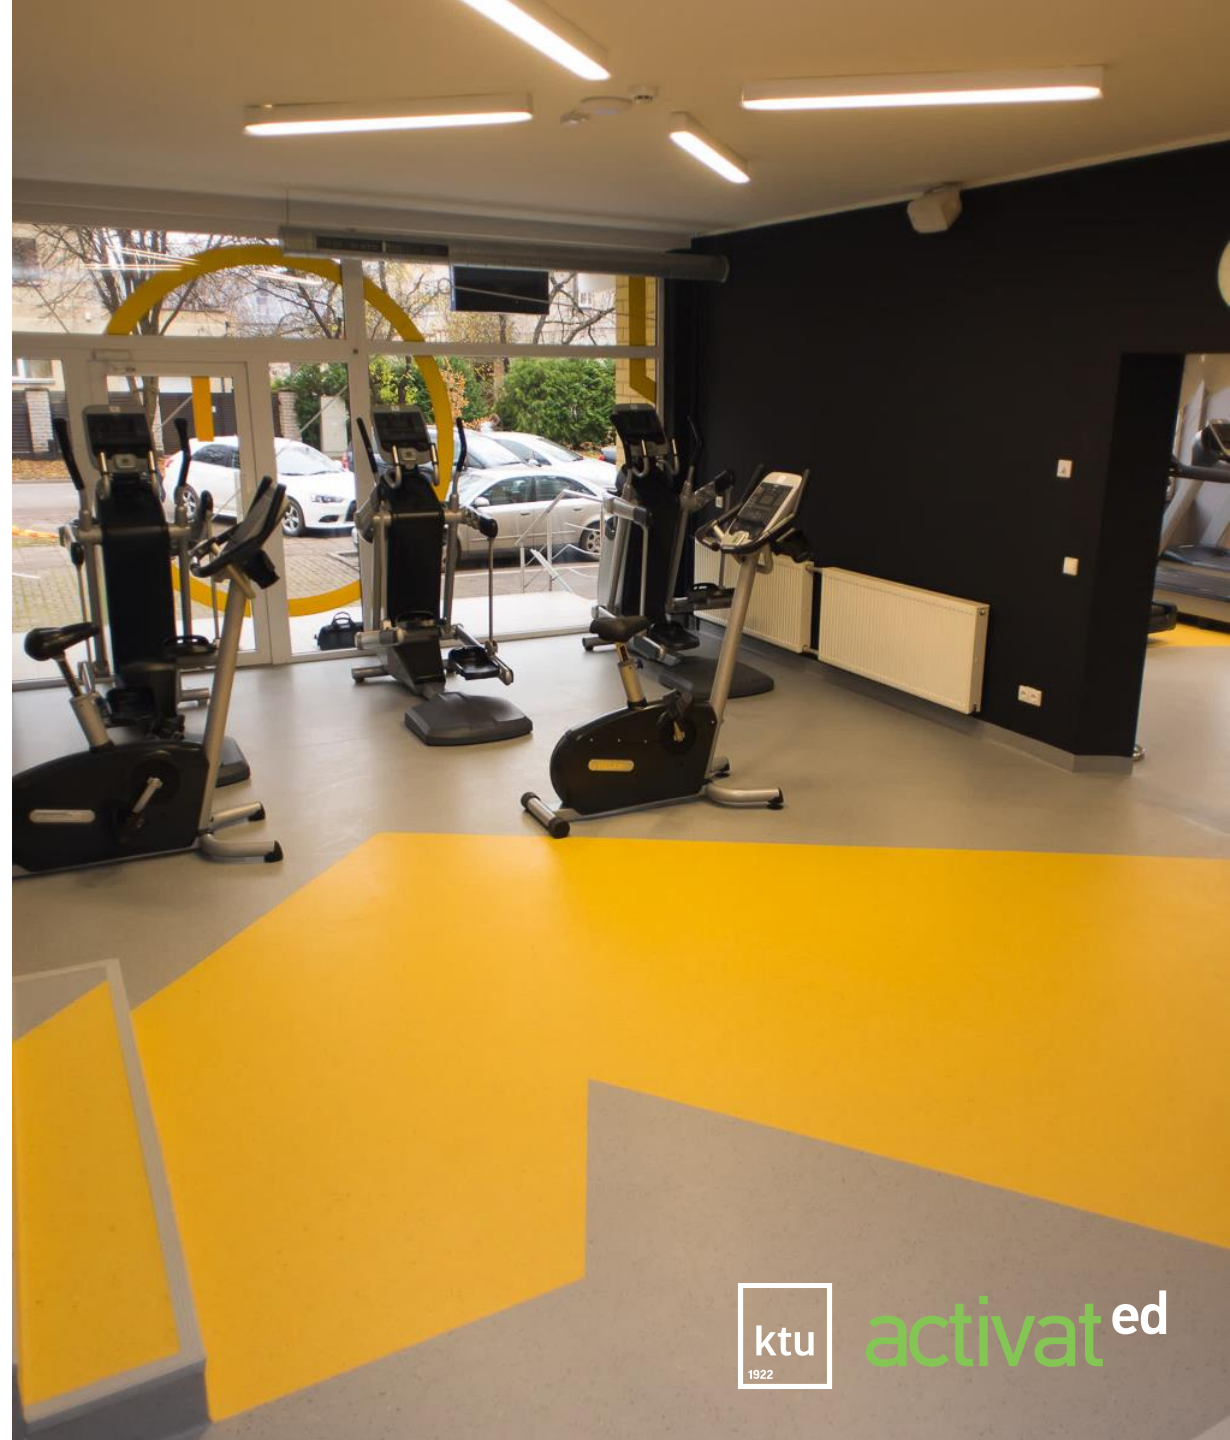

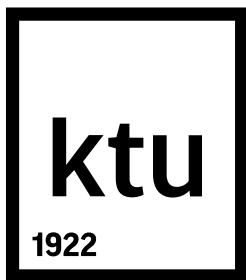

# Student life

## KTU Sports Club

- Body design
- Step + power
- Kinezitherapy
- Functional workout
- Pilates
- TRX trainings
- Tabata
- Calanetics
- Training with heavy balls

activat ed

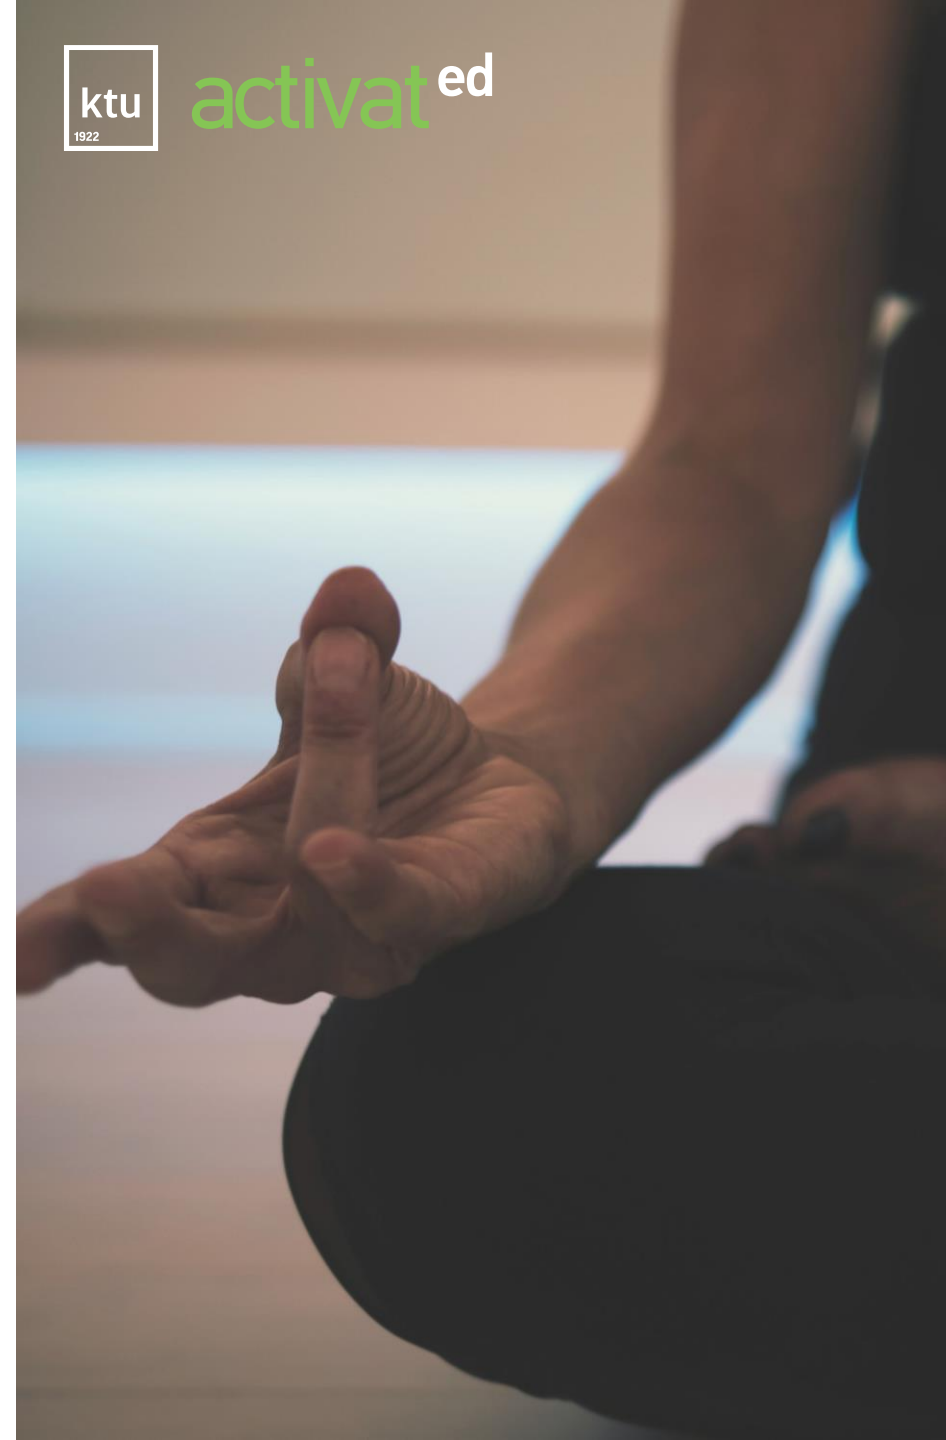

# Student life

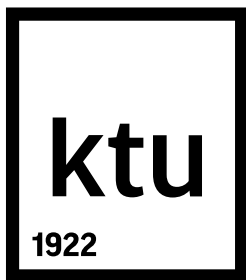

## Teams and activities

- Basketball
- Football
- Volleyball
- Handball
- Badminton
- Athletics
- Power Sports
- Jiudo and Sambo
- Aerobic gymnastics

activat<sup>ed</sup>

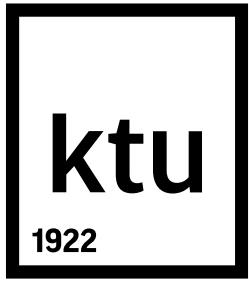

# Student life

## Mentorship programmes

- Exchange students' mentors
- Peer mentors
- Research mentors
- Tutors
- Career mentors
- Academic advisors

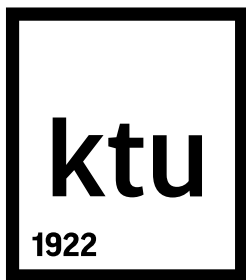

# Student life

## Student life on campus

- Student Leisure center
- Student organizations
- Sport facilities
- Various events

# Startup Space

## What is Startup Space?

We actively work with innovative start-ups, trying to discover a potential of young entrepreneurs and encourage them to make their dreams come true.

- Team coordination, consultations, mentorship
- Office
- Training, events
- Assistance in search of partners
